Follow these steps to prescribe the FreeStyle Libre 3 Plus sensor with the FreeStyle Libre 3 system:

1. Document medical necessity for patient services in the patient medical record.
2. Fill out [Standard Written Order Form](#) with patient's information.
3. Refer to the list on the left to select a DME supplier.
4. Tell your patient to expect a call from the DME supplier.

Providers listed above include all DME suppliers who have contracted with Abbott Diabetes Care (ADC) to acquire FreeStyle Libre family of products directly from ADC. FreeStyle Libre family of products may be available through other DME suppliers not listed who acquire these products indirectly. This listing of participating suppliers are in alphabetical order and ADC has no preference on the supplier selected from the list.

Medicare and other payor criteria may apply.

Important Safety Information

Failure to use FreeStyle Libre 3 system as instructed in labeling may result in missing a severe low or high glucose event and/or making a treatment decision, resulting in injury. If glucose alarms and readings do not match symptoms or expectations, use a fingerstick value from a blood glucose meter for treatment decisions. Seek medical attention when appropriate or contact Abbott at 855-632-8658 or <https://www.FreeStyle.abbott/us-en/safety-information.html> for safety info.

The sensor housing, FreeStyle, Libre, and related brand marks are marks of Abbott. Other trademarks are the property of their respective owners.
