The FreeStyle Libre 2 or 3 apps are only compatible with certain mobile devices and operating systems. Please check our website for more information about device compatibility before using the apps. Use of the apps may require registration with LibreView.

Abbott provides this information as a courtesy, it is subject to change and interpretation. The customer is ultimately responsible for determining the appropriate codes, coverage, and payment policies for individual patients. Abbott does not guarantee third party coverage or payment for our products or reimburse customers for claims that are denied by third party payors.

*Data based on the number of patients assigned to each manufacturer based on last filled prescription in US Retail Pharmacy and DME. †Based on a comparison of list prices of the FreeStyle Libre personal CGM systems versus competitors' CGM systems, assuming annual use of one receiver (or equivalent hardware) and quantity of transmitters and/or sensors according to use life. The actual cost to patients may or may not be lower than other CGM systems, depending on the amount covered by insurance, if any. ‡Data based on the number of claims in US for FreeStyle Libre family of personal CGMs compared to the number of claims for other personal CGM brands.

Important Safety Information

FreeStyle Libre 2 and FreeStyle Libre 3 systems: Failure to use FreeStyle Libre 2 or FreeStyle Libre 3 systems as instructed in labeling may result in missing a severe low or high glucose event and/or making a treatment decision, resulting in injury. If glucose alarms and readings do not match symptoms or expectations, use a fingerstick value from a blood glucose meter for treatment decisions. Seek medical attention when appropriate or contact Abbott at 855-632-8658 or <https://www.FreeStyle.abbott/us-en/safety-information.html> for safety info.
