Last Updated 02/23.

Providers listed above include all DME suppliers who have contracted with ADC to acquire FreeStyle Libre family of products directly as of the “Last Updated” date who have represented to ADC they intend to recognize the flexibility provided by CMS. For a complete listing of DME suppliers contracted directly with ADC go to <https://www.freestyleprovider.abbott/us-en/dme.html>.

FreeStyle Libre family of products may be available through other suppliers not listed who acquire these products indirectly.

This listing of participating suppliers are in alphabetical order and ADC has no preference on the supplier selected from the list. All DME suppliers who have contracted with ADC to acquire FreeStyle Libre family of products directly were eligible to be listed if they indicated they will supply CGM.

At this time, FreeStyle Libre 3 is not currently eligible for Medicare reimbursement, and Medicaid eligibility may vary by state.

Important Safety Information

Failure to use FreeStyle Libre 3 system as instructed in labeling may result in missing a severe low or high glucose event or making a treatment decision, resulting in injury. If glucose alarms and readings do not match symptoms or expectations, use a fingerstick value from a blood glucose meter for treatment decisions. Seek medical attention when appropriate or contact Abbott at 855-632-8658 or <https://www.FreeStyle.abbott/us-en/safety-information.html> for safety info.

The circular shape of the sensor housing, FreeStyle, Libre, and related brand marks are marks of Abbott. Other trademarks are the property of their respective owners.
